If your car can be repaired

If **you** choose to use an approved repairer, **we** provide a full accident recovery and repair service, including:

- a high-quality repair service carried out by industry-recognised repairers;
- a small courtesy car (such as a Ford KA) to keep **you** on the road after an accident;

Excesses

What you need to pay if you make a claim

No one really likes paying excesses but they form part of **your** insurance contract and can have a direct effect on the price **you** pay for **your** insurance. **You** must pay the excesses shown in **your** **schedule** as part of **your** claim.

More than one **excess** can apply – Example: an additional **excess** applies if the driver of **your car** is aged 24 or under or has held their full licence for less than 12 months;

You must pay the **excess** regardless of whether or not **you** were responsible for the accident or loss;

If **you** are claiming under section 6 – Replacement locks or section 7 – Uninsured driver protection then no **excess** applies.

Let's use an example . . .

✗ This cover will not apply if **we** are unable to trace the person responsible for the accident.

Important to note

To claim under this section **you** must provide **us** with the responsible person's vehicle registration number, vehicle make and model and, if possible, their name, address and phone number.

We'll protect you from uninsured drivers . . .

We don't think it's right that **you** should be out of pocket by paying an **excess** and losing **your** no-claims bonus if **you** are involved in an accident caused by an uninsured driver.

Your other insurance benefits

Important to note

Your other insurance benefits

Section 10: Foreign travel

What we can cover you for

Your policy automatically provides the cover shown on **your schedule** for up to 90 days if **your** cover is comprehensive and up to 35 days if **your** cover is third party, fire and theft within the **period of insurance** while **you** are using **your car** in the countries described in this section, as long as:

- **your car** is taxed and registered in the **territorial limits**;
- **your car** is normally kept in the **territorial limits**; and
- **you** have a permanent home in the **territorial limits**.

If **you** permanently live in Northern Ireland, **you** have foreign use cover as shown on **your schedule** which is extended for up to 365 days in the Republic of Ireland only.

Your policy provides cover while **your car** is being transported by rail or a recognised sea route (including while it is being loaded and unloaded) between any countries in which this policy provides cover, as long as:

- **you** are travelling with **your car**;

- the purpose of transporting **your car** is not to permanently export it.

Full policy cover outside the territorial limits

You can use **your car** in the countries described in this section for up to 90 days if **your** cover is comprehensive and up to 35 days if **your** cover is third party, fire and theft in any one **period of insurance**.

What we can't cover you for

- ✗ Anything which is not covered under sections 1 and 2 of this policy is not covered under this section.
- ✗ This section does not cover **you** to drive other cars.

Your other insurance benefits

Section 11: Personal accident benefits

- total and permanent loss of sight in one or both eyes;

What we can't cover you for

We will not pay the benefit if the injury or death:

- ✗ happens as a result of someone not wearing a seat belt when they have to by law; or
- ✗ happens more than three months after the date of the accident or is not a direct result of the accident.

We will not pay the benefit if the injury is not listed above.

We will not pay the benefit if **you** are a company or firm.

We will not pay more than £5,000 in any one **period of insurance**, and **we** will not pay more than £5,000 for a single accident, even if the person killed or injured in the accident is insured under more than one policy with **us**.

Your other insurance benefits

Section 12: Medical expenses

What we can cover you for

We will refund medical expenses for each injured person if **you** or anyone in **your car** is injured as a result of an accident involving **your car**.

Benefits you receive

We will pay up to £100 for each injured person.

Medical expenses can be confusing so let's explain this further

If **you** are injured in an accident **you** may have to pay for emergency treatment and prescriptions, this section covers these costs.

You must provide a receipt or invoice before **we** will give **you** a refund for medical expenses.

Your no-claims bonus

How your no-claims bonus works

If **you** make a claim, even if **you** were not responsible (for example, if **your car** is stolen or damaged by vandals) this will affect **your** no-claims bonus. **You** could lose part or all of **your** no-claims bonus. If a claim is made on **your** policy **your** price or **excess** may increase at renewal.

We will not reduce **your** no-claims bonus if the damage to **your car** was caused by an uninsured driver (as long as the conditions set out in section 7– Uninsured driver protection, are met).

We apply a step-back policy that reduces **your** no-claims bonus for each claim made when **you** renew **your** policy, depending on the claim or claims made. For an example of what would happen if a claim is made on **your** policy within the **period of insurance**, please see the table below.

Example – how your no-claims bonus (NCB) would be affected at renewal if a claim is made during the period of insurance

Number of years' no-claims bonus currently available (without NCB protection)	No-claims bonus at the next renewal (without NCB protection)		
	No claims	One claim within the policy period	Two or more claims within the policy period
0	1	0	0
1	2	0	0
2	3	0	0
3	4	1	0
4	5	2	0
5	6	3	0
6	7	4	0
7	8	5	0
8	9	6	0
9	10	7	0

Note: In the table above a claim is where **we** have made payment for any loss, damage or injury to a third party or where any costs paid for damage to **your car** cannot be, or have not yet been, recovered.

Your no-claims bonus

If you have chosen to protect your no-claims bonus

Protecting **your** no-claims bonus allows **you** to make a claim without **your** no-claims bonus being reduced.

If **you** have chosen to protect **your** no-claims bonus this will be shown on **your schedule**, and **you** will only lose **your** no-claims bonus if more than two claims are made in a five-year period. If a claim is made on **your** policy **your** price or **excess** may increase at renewal.

The table below shows how **your** no-claims bonus would be affected if a claim is made on **your** policy and **you** have chosen to protect **your** no-claims bonus.

Example – how your protected no-claims bonus would be affected at renewal if a claim is made during the period of insurance

Number of years' no-claims bonus currently available (with NCB protection)	No-claims bonus at the next renewal (with NCB protection)			
	No claims	One claim within the policy period	Two claims within the policy period	Three claims within the policy period
4	5	4	4	2
5	6	5	5	3
6	7	6	6	4
7	8	7	7	5
8	9	8	8	6
9	10	9	9	7

Note: In the table above a claim is where **we** have made payment for any loss, damage or injury to a third party or where any costs paid for damage to **your car** cannot be, or have not yet been, recovered.

If **you** have a minor incident with another person, but **you** are not claiming for the damage or loss to **your car**, another person may still make a claim against **your** policy. In these circumstances **we** may not allow **your** no-claims bonus until **we** are confident no claim will be made.

Cancelling your policy

If you cancel your policy

If **you** cancel **your** policy within 14 days of buying it or receiving **your** documents (whichever is later), **we** will refund **you** for the exact number of days left on the policy, less an administration charge of £10 plus Insurance Premium Tax (at the rate that applies at the time). **We** will also do this if **you** cancel **your** policy within 14 days after its renewal date. If **you** tell **us** before **your** renewal is due that **you** want to cancel and payment has been made, **we** will give **you** a full refund.

If **you** cancel the policy at any other time by letting **us** or **your** broker know and **you** have paid for **your** insurance policy in full by a single payment **we** will refund the exact number of days left on **your** policy, less an administration charge of £32 plus Insurance Premium Tax (at the rate that applies at the time).

If **you** have chosen to pay for **your** insurance policy by instalments **you** must continue to pay **your** monthly direct debit. **We** will refund any overpayment, less an administration charge of £32 plus Insurance Premium Tax (at the rate that applies at the time).

If any claim has been made by **you** or against **you** in the current **period of insurance**, **we** will not refund any amount **you** have paid.

When we or your broker may cancel the policy

We (or **your** broker) may cancel **your** policy by sending **you** seven days' written notice to **your** last known address if **we** (or **your** broker) have a good reason for doing so. Some examples of situations where **we** (or **your** broker) might do this include:

- **you** not making a payment for **your** insurance policy when it is due;
- **you** not providing proof of no-claims discount or vehicle security;
- **you** providing **us** with incorrect information, and failing to put this right when **we** ask **you** to.
- **you** using threatening or abusive behaviour or language, or being intimidating towards **our** staff or suppliers

If **we** (or **your** broker) cancel **your** policy, **we** will refund the amount paid for the exact number of days left on the policy less an administration charge of £32 plus Insurance Premium Tax (at the rate that applies at the time).

If any claim has been made or expected in the current **period of insurance**, **you** will not receive any refund.

If **we** (or **your** broker) cancel **your** policy on the grounds of fraud, the cancellation may be immediate and **we** may keep any amount **you** have paid. **We** may also tell the police about the circumstances.

General exclusions

When we really can't cover you

This policy will not provide cover or benefits under the following circumstances

We do not cover any loss, damage or liability arising from an incident if **you** or anyone insured under the policy is convicted of driving while under the influence of alcohol or drugs. **We** have the right to recover from **you** any amounts which **we** pay before such conviction or which **we** are required to pay by law.

We will not pay for any loss, damage or liability which arises while **your car** is being:

- used for a purpose which is not allowed by the current **certificate of insurance** (racing for example);
- driven by, or is in the charge of, a person who has **your** permission to drive and who is not an insured driver (anyone not named on the policy);
- driven by a person who does not hold a valid driving licence, unless the person has held and is not disqualified from holding or getting a licence (the person driving the car must be legally entitled to do so);
- driven by a person who is not keeping to the conditions of their driving licence they hold or are entitled to hold (for example, someone driving a car on a provisional licence without having a qualified driver with them);
- driven by a person who has previously been disqualified from driving and has not reapplied for and received their licence from the issuing authority;
- used to take part in a crime (unless **your car** has been stolen);

- used in a place utilised for aircraft taking off, landing, parking or moving including airport service roads that the general public are not allowed to use;
- used in a race, speed trial, rally, track day or similar motor sporting event, or used in any connection with any event at the Nurburgring; or
- used in an unsafe or unroadworthy condition or without a valid MOT (where one is required).

We will not pay for any loss, damage or liability which is the direct or indirect result of the following.

- War, revolution or any similar event.
- Actual or threatened terrorism or any similar event, or action to control, prevent or stop any terrorist event.

(Terrorism is any illegal action involving violence, force or danger to people or property that appears to be intended to:

- cause fear among the people of a country or state;
- disrupt any part of the economy of a government, country or state; or
- affect the policy or conduct of a government.)

- Earthquake, riot or civil disturbance outside Great Britain, the Isle of Man or the Channel Islands.
- Ionising radiation or radioactive contamination from any nuclear fuel or from nuclear waste.
- The radioactive, poisonous, explosive or other dangerous properties of any explosive nuclear equipment or any part of it.

What is an exclusion?

Exclusions list specific events, circumstances or situations where **we** do not provide cover for certain loss, damage or liability. Exclusions protect **us**, the insurance company, from unreasonable risk, and apply to all of the policy sections.

General exclusions

When we really can't cover you

- A deliberate act by anybody insured under this policy.
- Pressure waves caused by aircraft or other flying objects travelling at or above the speed of sound (this normally affects people who live in close proximity to airports or military bases).
- Anything harmful contained in any goods or property being towed by, carried on, supplied from, loaded on, or unloaded from **your car**.
- Any harmful or incorrect medical treatment or help given at or from **your car**.

However, **we** will provide the cover needed under the **Road Traffic Acts** for the events shown above.

We will not pay for any legal liability which arises under a contract or agreement unless the person, company or firm claiming cover under this policy would have had that liability if the contract or agreement had not existed.

We will not pay for any loss, damage or liability for which legal proceedings have been brought or judgement given in a court outside the United Kingdom, unless the proceedings or judgement are in a foreign country because **your car** was being used in that country and **we** had agreed to provide insurance in that country.

General conditions

Please make sure you read this page

Your duty

We will only provide the insurance cover set out in this policy if:

- **you** keep to the conditions of the policy; and
- the **statement of fact** does not contain any fact or declaration which is not true to the best of **your** knowledge.

Changes in circumstances

You must tell **us**, as soon as possible, about any change in circumstances as this could affect **your** insurance cover.

Examples of these changes are:

- any changes to **your car**, including engine modifications and changes such as fitting alloy wheels, spoilers or skirts;
- any problem to do with the health of any person who will drive **your car**;
- a motoring accident, insurance claim, motoring conviction or fixed penalty offence involving any person who will drive **your car**;
- a change in ownership of **your car**;
- a change in use of **your car**;
- if any **insured driver** changes jobs;
- changes to **your** address or the address where **your car** is usually kept; and
- changes to the number of vehicles owned or regularly driven by **you** or by members of **your** family who live with **you**.

If a person whose details **you** have not already given **us** is likely to drive **your car**, **you** must give **us** their full details.

Please note that if **you** or **we** make any changes to **your** policy before the renewal date, **you** may have to pay an additional amount (including an administration charge of £15 plus Insurance Premium Tax at the rate that applies at the time). Please speak to **your** insurance broker or other

person acting on **our** behalf, if **you** want to make a change to **your** policy before renewal. They will be able to confirm any charges.

Please tell **us**, as soon as possible, if there are any changes to any of the details **you** have provided **us** with, that are shown on **your statement of fact**.

Other insurance

If any other insurance policies cover the same loss, damage or liability as this policy, **we** will only pay **our** share of the amount of the claim.

Taking care of your car and any trailer or caravan towed by your car

You must take all reasonable steps to:

- prevent loss of or damage to any vehicle insured by the policy;
- keep **your** car and any trailer or caravan towed by **your** car in a safe and roadworthy condition;
- ensure any Advanced Driver Assistance Systems (ADAS) fitted by the manufacturer are calibrated and updated to the manufacturer's standard (some examples of ADAS are electronic stability control, anti-lock brakes, lane departure warning, adaptive cruise control and traction control).

Our right to recover a payment from you

If **we** have to settle a claim under the law of any country and **we** would not have paid that claim under the terms of the policy, **we** can recover from **you** the amount of any payment **we** have had to make.

Fraud

We will not pay for any claim **you** make if:

- it is dishonest;
- it is exaggerated; or
- **you** or any **insured driver** makes a false statement or provides false documents to support a claim.

General conditions

Please make sure you read this page

We may also tell the police and **your** policy may be cancelled, as shown under 'Cancelling **your** policy' on page 32.

Claims procedure

After any loss, damage or accident, **you** and any person insured by this policy must:

- report the incident to **us** as soon as possible by phoning **our** Claims Helpline on 0330 024 2240;
- give **us** all the information and help that **we** ask for, including details of anyone else involved;
- send **us** every letter, claim, or legal document immediately without answering it; and
- tell **us** immediately if there is to be a prosecution, inquest or other court proceedings.

Defending or settling a claim

You must not admit liability for any loss or damage, or make any offer to pay any claim. **We** are entitled to decide exactly how to carry out any legal proceedings or settle any claim and to:

- take over and defend or settle any claim in the name of any person, company or firm insured by the policy;
- take legal action in **your** name, or in the name of any person, company or firm insured by the policy, to get back any payment **we** make; and
- If **your car** belongs to someone else, or is under a hire or leasing agreement, **we** will pay the legal owner.

Car sharing

This policy does not insure anyone to use **your car** for hire or reward. However, if passengers in **your car** make a payment towards the cost of a journey, **we** will not class this as use for hire or reward if:

- **your car** is not designed or adapted to carry more than seven people including the driver;
- the passengers are not being carried in the course of the business of carrying passengers; and

- the total of the payments made by all the passengers does not include a profit.

Service and repair

This policy will continue to provide insurance cover for **you** under policy section 2 while **your car** is with motor traders or their employees being serviced or repaired. (**We** will ignore any restriction in use on **your certificate of insurance** which excludes use for motor-trade purposes under these circumstances.) However, the insurance cover for other people, companies or firms referred to in section 2 will not apply. Other sections of the policy which apply for the type of cover shown in **your schedule** will also continue to apply if **your car** is being driven by an **insured driver** or is not being driven at the time of the incident.

Paying for your insurance

If **you** have not paid for **your** full insurance policy and **you** make a claim under this policy, **we** may deduct the amount **you** still owe when **we** pay to settle the claim.

Renewing your policy

We may automatically renew **your** policy on the renewal date. If **we** do this, **we** will write to **you** before the renewal date with details of the renewal terms. If **you** pay for **your** insurance by direct debit, **we** will continue to take payments from **your** bank account for the renewal price. If **you** do not want to renew, **you** must tell **your** broker or **us** before the renewal date. **We** will then refund any payment **we** have taken for **your** renewal premium. If **you** do not want to renew, but **you** only tell **your** broker or **us**, after the renewal date, **we** will work out the refund as though **you** had cancelled the policy as shown in Cancelling **your** policy on page 32.
